

Richland County Council Motion

Id: 119

Date: 07/02/2024

Title: Title to Subdivision Roads

Current Status: In Process

Committee: D&S Development and Services

Content: I move that County Council direct the County Administrator to research and provide to Council (1) ways to secure title to subdivision roads that were developed but never had ownership transferred to the County and (2) to recommend changes to county ordinances and/or protocols to better assure that future developments of subdivision roads includes conveyance of title to the county (unless there is an understanding between the developer and the County that the subdivision roads will intentionally remain privately owned and maintained.)
