Title: Residential Development Permitting Processes and Standards

Date: 09/10/2024

Current In Process Status:

Committee: D&S Development and Services

Content: I move to direct the County Administrator to commission an analysis of the County's residential development permitting processes and standards related to noise, flooding, air pollution, and other environmental impacts in order to ensure that the County has adopted and is following the most current industry best practices to reduce negative environmental impacts. This may include recommendations for improving and enhancing the County's Land Development Code, Land Development Design Manual, Comprehensive Plan, Zoning Map, and related documents.
